### Divine Dizion Offers Comfortable Control

A new line of hosiery aims to offer women comfortable control top hosiery that firms and flatters but does not feel binding.

Two St. Louis men, Al Parks and Lonnie Davis, have introduced Divine Dizion legwear. The product is being made for Divine Dizion by Wells Hosiery in Asheboro.

Divine Dizion offers a complete line of fashion hosiery including ultra sheer

control top, day sheer control in regular and plus sizes from size A through 4X.

“Divine Dizion now brings you a natural evolution for hosiery,” says owner Al Parks. “Our collection is inspired by the needs of contemporary women worldwide who have been wearing our hosiery for its shaping and controlling benefits.”

“We have styles to fit every occasion, day and evening wear.”
