

LEGWEAR FASHIONS

Spring 2005 Must-Haves by HUE

For Spring 2005, HUE has taken the legwear category one step further with fabulous, fun, remarkable new products in the following categories:

KEEP FEET FEELING FABULOUS

New this year to the Fabulous Feet Collection are fabulous new fabrications such as the incredibly breathable MicroNet, as well as cushioned Foot Clouds and Liners to help ease women through summer in comfort and style, whatever shoes they're wearing.

DECORATE YOUR FEET

Even better than barefoot, HUE's Foot Adornments are the ultimate summer accessory. In addition to Foot Thongs and Anklets, this year HUE is adding glittery ToeRings and Shoe Clips (some of which are even convertible into Pins!) into the mix. Adorned with everything from natural beads and shells to flirty chiffon and sparkly sequins, Spring 2004 Foot Adornments are sure to make a splash both poolside and on city streets.

FLIPS

For Spring 2005, HUE is injecting some serious style into the classic flip flop, dressing it up with everything from glittery embellishments to photographic designs.

NEW & EXCITING FOR SPRING 2005

Foot Clouds put a little spring in your step with their soft spongy cushioning, reducing wear and tear on the soles of your feet. Small and shaped like a cloud, Foot Clouds can be strategically placed wherever your sole needs the most help – from heel to toe. Just peel off the tiny square adhesive on the back of the Cloud and stick it in your shoe. Not only do Foot Clouds cushion your feet and control slippage in your shoes, they

are available in fabulous fun patterns including colorful paisleys and stripes. Bottom line, Foot Clouds can literally "save your sole".

FOR SPRING 2005, HUE introduced several new fabrications to its Fabulous Feet line, including MicroNet and Lace. Made of a lightweight mesh and featuring a cotton knit sole,

MicroNet marries breathability with pure comfort. Available in several styles including a Liner and Slingback Liner. MicroNet comes in fun fashionable brights such as melon, key lime, malibu and lipstick, in addition to traditional shoe colors (black, white and natural). Lace injects a girly twist into the Fabulous Feet Collection, showing up not only in Foot Tubes, but also Liners in both neutrals and brights.
